(We can accommodate our prices on a weekly basis if necessary. Please see a supervisor to discuss.)

Class Requirements, American Red Cross Program

Pre-School Classes – Ages: 6 months – 5 years

We believe that the sooner children become accustomed to the water and begin to develop not only water skills, but also social interaction skills, the easier it will be for them to enter into the higher Red Cross levels when they turn 6 years old. As always, please consult a supervisor if you are unsure of where to place your child.

<u>DUCKLINGS:</u>	Age 6 months to 5 years; Parents are required to be in the water.
<u>JELLYFISH:</u>	Age 3-5 years; Will willingly “swim” w/o parent, takes & follows directions.
